

Product Description

Product Name: Mixed juice powder

Composition: Mixed juice concentrate and Maltodextrin

Description: Mixed juice powder is produced from mixed juice concentrate through particular spray drying technology. Hence, the powder savors of typical mixed juice aroma and taste. It is light-yellowish powder with good flowability. This product can be used widely in health foods, recombined milk powder, cereal or confectionery, etc. The product does not contain any artificial pigments and preservatives.
