

## Product Description

Product Name: Melon juice powder

Composition: Melon juice concentrate and Maltodextrin

Description: Melon juice powder is produced from melon juice concentrate through particular spray drying technology. Hence, the powder savors of typical melon aroma and taste. It is absinthe-green powder with good flowability. This product can be used widely in health foods, recombined milk powder, cereal or confectionery, etc. The product does not contain any artificial pigments and preservatives.
